CLARK FARMS

THIRD DIMENSION

ANGUS FEMALE SALE

CLARK BLACKCAP MAY 4D3 3503 — LOT 1

With Special Guest Allen Creek Farm

Noon • Saturday

OCTOBER 5, 2024

Hustontown, PA

BUILT ON THE FIRM FOUNDATION OF THE ANGUS BREED'S VERY BEST GENETICS!

CLARK FARMS — MARIA, JACK, JACKSON

Please join us for our 3rd annual female sale, to be held at our farm on Saturday, October 5, 2024!

We are thrilled to present an exceptional lineup of top-quality Angus females to the public. This sale truly offers a unique opportunity to acquire some of the finest bred female cattle in the breed. Features include a diverse range of females, from young, promising prospects to proven producers, to meet the needs of ranchers anywhere from seedstock producers to the commercial cattleman. Having studied Angus genetics since age 12 and learning from master breeders in the industry, I have built on breeding world-renown, top-in-the-breed cow families. We focus on keeping strong maternal qualities at the forefront and utilizing bulls with high maternal traits and proven daughter data.

We are thrilled to have our friends at Allen Creek Farms joining us with an excellent selection for the third year.

If there is anything I can be of assistance with, please do not hesitate to call (717) 658-6435.

The cattle will be available for viewing at any time prior to the sale.

I look forward to seeing you all on sale day!

*Thanks,
Jack*

• This special double-bred Blackcap May is backed by generations of the best from one of the breed's all-time most prolific herd sire producing cow families, sired by the \$55,000 Genex Pathfinder Sire SAV 004 Density 4336 whose daughters are universally regarded as model Angus females.

- The powerful and proven dam of this heifer is the Clark Farms foundation donor who has the distinction of being a flush sister to the famous sires SAV Renown 3439 and SAV Recharge 3436 as well as a full sister to SAV Resource 1441.
- Maternal siblings to the dam are headlined by the world-record-selling flush of bulls.
- Maternal sisters sold to Voss Angus in the 2022 Clark Sale and another was selected by Allen Creek Farm in the 2023 Clark Sale, while three maternal sisters have been retained in the SAV herd including the female with the eighth highest IMF and ninth highest ribeye of her calf crop, and four maternal siblings have averaged \$17,750 in SAV sales including the \$40,000 SAV Jet Stream 8264.
- Another maternal brother, Ideal Clark Exceptional 3V1, sold one-half interest for \$15,000 for a \$30,000 valuation as the top-selling bull of the 2023 Clark calf crop.
- The legendary grandam, SAV Blackcap May 4136, is the breed's all-time world-record income-producing cow with more than \$10.5 million in progeny sales to date.
- The Pathfinder third dam generated more than \$2.1 million in progeny sales.

SAV BLACKCAP MAY 4136 – World-record income-producing grandam of Lot 1.

SAV RESOURCE 1441 – Full brother to the dam of lot 1.

SAV RENOWN 3439 – Full brother to the dam of Lot 1.
